**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy customer of Sonic for phone and WiFi. It has been a company that meets my needs better than the larger conglomerates. It has the option of a more affordable broadband package and help for me as a lower income and special needs customer. Please do not take away these smaller options, it is un-American and unfair.
